

Rose City Hockey Club  
Camp Scholarship Application  
*(as of May 21, 2017)*

**GENERAL INFO:**

The mission of the Rose City Hockey Club (RCHC) is to create a thriving youth ice hockey program for girls, which provides them with the skills needed to succeed on and off the ice. We're committed to making hockey accessible to all girls interested in the sport and, at this time, we're excited to announce scholarships for our 2017 Summer Camp (Aug 14-18).

The purpose of our scholarship program is to help hockey families who otherwise could not afford the \$350 registration fee for camp. We believe each recipient should pay some portion of this fee and we will award grants accordingly, based on funding availability and each family's unique level of need. No cash payments will be issued; instead, we'll deposit the scholarship funds directly into your RCHC account. Once players are notified of their selection, they will need to register for the season via our website at [rosecityhockeyclub.com](http://rosecityhockeyclub.com).

During the selection process, all financial information will be kept strictly confidential. In addition, the process will be "blind" meaning, to the maximum extent possible, teammates, volunteers, and other staff will not know which players at camp are on scholarship. Criteria for receiving a scholarship include but are not limited to:

1. Demonstrated financial need;
2. Availability of funds;
3. A player's ability to participate in at least 4 of the 5 sessions.
