

Rose City Hockey Club Scholarship Application *(as of Aug 30, 2018)*

The mission of the Rose City Hockey Club (RCHC) is to create an affordable, thriving youth ice hockey program for girls, which provides them with the skills needed to succeed on and off the ice. We're committed to making hockey accessible to all girls interested in the sport. At this time, we're excited to announce scholarships for our 2018-19 hockey season.

The purpose of our scholarship program is to help hockey families who otherwise could not afford the registration fee. We believe each recipient should pay some portion of this fee and we will award grants accordingly, based on funding availability and each family's unique level of need. No cash payments will be issued; instead, we'll deposit the scholarship funds directly into your RCHC account. Once players are notified of their selection, they will need to register for the season via our website. Please note: submitting your application sooner rather than later is a smart move. As noted, funds are available based on availability and, as RCHC grows, we've seen more and more families applying.

During the selection process, all financial information will be kept strictly confidential. In addition, the process will be "blind" meaning, to the maximum extent possible, teammates, volunteers, and other staff will not know which players at camp are on scholarship. Criteria for receiving a scholarship include but are not limited to:

1. Demonstrated financial need;
2. Availability of funds;
3. A player's ability to participate in a majority of the sessions.

PROCEDURES:

Mail completed application forms and one form of supporting documentation to Wendy Fedderly, RCHC Scholarship Supervisor, 9234 NW Leahy Rd, Portland, OR 97229. Applications must be postmarked by **Oct 15, 2018**. Applicants will be notified of the results via email approximately 2 weeks later. Incomplete or late packages will not be considered.
